THE ELDEN RING An action RPG game that runs on the NEXT engine, created exclusively for the Microsoft Windows platform. PREMIUM FEATURES ■ The NEW NEXT engine. As an official Microsoft exclusive, the gameplay will be rich in detail. The power of the engine enables the seamless integration between the elegant graphics, rich sound effects, and highly smooth gameplay. ■ The Vast World and Customizable Characters Set in the Lands Between, a world seamlessly connected by the power of the wind, you can freely travel between the vast fields and huge dungeons, enjoying a world built with love and passion. Every map offers a variety of situations, and the danger and excitement that the deep dungeon and perilous maps bring is never-ending. In addition, when you complete special events, you can obtain new weapons and armor, which can be combined freely and can be customized as you want. You can freely boost your character's strength, and power up your weapons or armor. ■ An Epic Drama Told in Fragments The game is a multilayered story, giving a comprehensive sense of drama, with a unique experience that does not offer a visual novel. The story is revealed in fragments with a variety of ending, and you can view the story from any angle by changing the system and character. In the process of forming your own destiny, the protagonist, the mysterious girl Gold, will make a great emotional journey through great developments and close-ups. ■ A Vast Network, Unique Online Experience In addition to multiplayer, where you can directly connect with other players, you can also enjoy a unique online experience where you can feel the presence of others. You can be rewarded for helping other players or be attacked by the other players. ■ Unique Play Style and Development Experience In addition to comprehensive customization of characters, you can freely create your own play style. You can

choose from different classes and weapons and achieve a variety of distinctive character evolutions through many different actions. ■ Developer, Team, and Administration The developer is the strategy game company Arkadium Inc., which has mastered the management of various genres, from the classic line of the “Dungeon Hunter” series to the “Time Quest” series. The team is composed of a number of full-time employees and renowned professionals, including the manager for the “Time Quest” series, “Heroes Bitter” and “Heroes Rivals.”

Features Key:

Enter a huge world As far as anyone can tell, the Lands Between is an unbridged infinite expanse. It is a place where people of different origins create factions to establish conditions that they can occupy as their own, so that, in the end, this land turns into a mixture of the Regions of the World below. Lives are divided by bonds of blood as well as ideologies. And they are divided in two even further by the benefits provided by the Elden Ring, the quintessential Iron Gear.

Can you escape from bondage? The battlefield is the battlefield. The lands between are also a battle against the forces of the Dark Sphere. You will advance through new content, rise as a hero, and be transformed into an Elden Lord that joins the group of heroes. And then the real battle begins. As the battle comes to a close, the lands between are bound even more tightly as proof that new blood does not lie in the shadows — blood that has been tainted by the darkness of tyranny.

An epic battle Highlighted by a countless number of battles connected in time and space, the storyline is about fighting for the rights of knights and a “moral” world.

You can become a hero that always chooses the righteous path, or the hero who destroys the world of darkness using the power of his or her soul.

World legend players will want to come again The world of Tarnished Armor was built by fans based on the tips of the official developers, and the number of players who play online is increasing every day as we approach beta testing. If you are the veteran of the new world, or if you are a player that plays high-end content, this will be an incredible new area full of fun and challenges to contend with.

The best RPG action is waiting for you!

NEW FANTASY ACTION RPG FEATURES

NEW ACTION SYSTEM

The new action system was developed with the development team's aim in mind of making the game fun and exhilarating to play through its expansive map and numerous dungeons. What's new in Elden Ring:

1. Key Features

Character that Shapes the World

Explore a Vast World where Danger Lies Loose

Once you have reached the Legendary Incarnate Vastness, you will be able to visit the world's places freely. You will have to listen carefully and plan carefully, in order to overcome wide-scale danger.

Break the Cycle of Greediness and the Simple Life with the Influence of Grace

The land began moving in a cycle of greediness, and the balance of peace and happiness has been overtaken. To bring stability back to the world, people have fallen into greediness and self-centeredness. In this Risen Elden World, you will begin as Tarnished and must fight for your life. Step on the path of restoration of the balance and become a lord of Elden.

Fantasy Combat that Uses Magic or Items as Weapons

Rapidly defeat ferocious opponents in a battle using magic or items. In the dungeons, knockdown traps, diversions, and distractions also appear as a part of the scene and can all be used to your advantage. The battles in this challenging world are tense and will keep you on the edge of your seat.

2. Exclusivity of the Game

Discovery

Many new challenges await those who seek to develop their arms. In addition to the map where you can move freely through areas, you can also take care of a wide variety of events occurring as you go. For example, there is an event where you must find the secret of the armor called the mythmaster. Even if you depart on your own to seek out the secret, you can talk to people traveling in the area and use them to your advantage.

What is in the Darkness?

In the Age of Awakening, there is a vast, dark, abyss-like

realm where you can interact with the contents of the treasure chests and the so-called Wicked Wolves. Treasure chests with dazzling treasure will appear randomly, and if you want to,
